New Survey: 8 of the top 10 largest servicers now on NTC's client list

PALM HARBOR, Fla. — March 23, 2010 — Nationwide Title Clearing, a leading document and services provider for the residential mortgage industry, announced today that a new ranking of the nation's mortgage loan servicers published by a national mortgage industry trade publication puts 8 of the top 10 servicers on the company's active client list.

"Our commitment to developing technology platforms, strategic alliances and expertise in the mortgage business has helped to distinguish our products," said Jeremy Pomerantz, Senior Vice President for Marketing and Sales at NTC. "Mortgage servicers rely on our products because we offer them leading technology designed to support lien release management, electronic document recording services, assignments, imaging services and document retrieval among others. All of these services are in high demand in the current environment."

The new data regarding servicing industry rankings was provided by SourceMedia and details the portfolio sizes for the nation's top 10 mortgage servicing companies.

"We're proud to be serving the nation's best servicers, helping them meet these demands," said Pomerantz. "They are being asked to keep borrowers in their homes, but they still have legal requirements to meet for these other servicing needs. NTC is glad it is able to alleviate some of this workload for servicers so they can focus on larger industry concerns."
